3. Chairman's Report

There were no Apologies for Absence.

The Chairman stated that it had been a great honour to represent the Town as Mayor over the past year, judging Christmas Card and Easter Bonnet competitions creating community involvement and attending many events to support and promote the Town, which is what the Town Council was all about, creating a sense of community.

Representatives of the Town Council are pleased to attend various groups/committees and help charitable groups and he has been both surprised and impressed by the community spirit to be found within the Valley.

Unfortunately, it is often the anti-social behaviour that makes the head lines but he could assure people that far more contribute their time and energy to improve the lives of others in the Valley. The Town Council facilitates and encourages this via the grants system and he congratulated all fellow Councillors on a job well done.

However, the time had come to hand over to a new Mayor/Chairman to continue not regenerate the role.

4. Open Session

No questions were raised.

5. Annual Citizens Awards and Presentations

The Chairman welcomed recipients of the Town Council's Annual Citizens Award 2024 and was pleased to congratulate and present them with certificates and cheques as recognition for their valuable contributions to the local community.

The meeting then closed.
